

# VENDOR PARTNER PROGRAM

ePayAdvisors, a for-profit subsidiary of ePayResources, teams up with partners to provide our members and clients access to the finest solutions, products, and payment industry experts. We offer several options for expanded visibility through various marketing channels, including product showcases and digital ad retargeting campaigns.

ePayResources offers Affiliate Membership as a supplement to your partnership, allowing you to position your team as subject matter experts and drive referrals to your business.

This comparison chart below is a tool to help you compare the service levels available. It allows you to easily find the differences so you can make a choice between the three levels.
